

**HERSHEY  
PUBLIC LIBRARY**

To our Library Community:

September 18, 2020

The Halloween Books are on display and the trees that shadow Cocoa Avenue are losing their green. I think it's safe to say Autumn is here! As another season begins, we continue to adapt our services to meet the needs of our COVID world. We're slowly bringing more furniture out into the library, and we're considering allowing meeting room use with limited capacity in November. We continue to take our cues from the Pennsylvania Department of Health and the Office of Commonwealth Libraries but we're grateful for all the small adjustments we can make that improve the usability of our library.

Speaking of usability, check out our new front parking spaces! These convenient spaces allow patrons to more closely access the front door and book drop and we're very excited that they're complete. We plan on rolling out a curbside pickup service later this fall. All these efforts make Hershey Public Library an easier and more convenient place to visit. Stop by and check it out!
