

**HERSHEY  
PUBLIC LIBRARY**

To our Library Community:

January 20, 2021

It's a new year and a fresh start! We're all feeling invigorated by the cold weather and the abundant sunshine we've been enjoying the past few days. Based on recent book circulation, the residents of Derry Township are spending January cleaning up their eating habits while enjoying the lighthearted fluff of romance novels. Sounds like a pretty good way to kick off the year!

If you've been to the library recently, you may have noticed a drive-up book return bin near our family entrance. Thanks to a generous grant from the Rotary Club of Hershey, you no longer have to leave the comfort of your warm car just to get your items back on time.

We continue to offer curbside pickup and home delivery as our community continues its fight against the COVID19 pandemic. As more Pennsylvania residents get the vaccine over the course of 2021, we're hoping to slowly resume more in-person services.

As always, thank you for your patience and understanding as we adjust to changing conditions. You really make Hershey Public Library a great place to work.

Kindly,

A handwritten signature in cursive script that reads "Laura O'Grady".
