Friends History

The Friends of the Hershey Public Library was founded in 1963 by a small group of dedicated supporters of the library. Since then, Friends, a 501(c)(3) non-profit organization, has grown to a vital and active organization that provides support and funding for many library programs and activities.

About the Friends

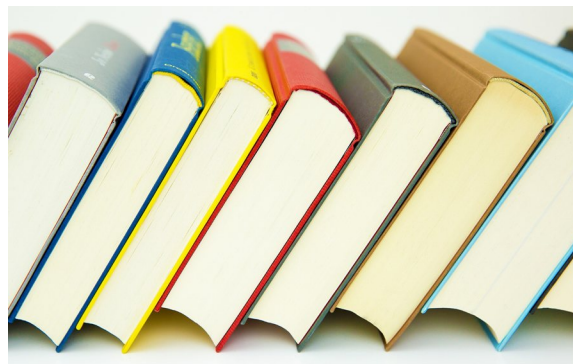

While volunteering is the heart and backbone of Friends, our work extends beyond that. Fundraising through our annual book sale has become an essential component of our success. We are always looking for fresh ideas and new people to help carry on our mission. Share your talents and ideas with us! In your own special way, you will be helping your library while increasing our family of Friends. Please join us by becoming a member. Even if you cannot spare time to help, your annual membership dues directly benefit the library.
